
Ages Stars IAU S258 Proceedings

brown dwarfs as galactic chronometers - cool star lab - iau 258: ages of stars method 3: mass standards a growing number of brown dwarf binaries have orbital (dynamic) mass measurements. binary companions to age-dated stars/in clusters provide tests of evolutionary models. see also lane et al. (2001), bouy et al. (2004); zapatero osorio et al.
