## Five Loaves Two Fish Thuan

**five loaves and two fishes: feminist hermeneutics and ...** - five loaves and two fishes: feminist hermeneutics and biblical theology phyllis trible union theological seminary, n.y.c. when this journal began its life a half century ago, feminist hermeneutics was an unrecognized subject. in the u.s. the first wave of feminism had passed: the voices of women were restrained. **feeding of the five thousand - ceo** - taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke the loaves. then he gave them to his disciples to set before the people. he also divided the two fish among them all. they all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces of bread and fish. **loaves and 2 fishes - white fields overseas evangelism** - spoke up, "here is a boy with 5 small barley loaves and two small fish, but how far will they go among so many?" jesus said, "have the men sit down." there was plenty of grass in that place, and the men sat down, about five thousand of them. jesus then took the loaves, gave thanks, and distributed to those who **five loaves and two fish eng - ccchurch** - 1 from five loaves & two fish: to 10 when the apostles returned, they reported to jesus what they had done. then he took them with him and they withdrew by themselves to a town called bethsaida, 11 but the crowds learned about it and followed him. **certain curious calculations about loaves and fishes** - about loaves and fishes no. 1822 a sermon intended for reading on lord 1s-day, february 15, 1885, delivered by c. h. spurgeon, at the metropolitan tabernacle, newington, on october 30, 1884. <sup>3</sup>when i broke the five loaves among five thousand, how many baskets full of fragments took you up? they said unto him, twelve. **thank you, loaves & fishes** - andrew, another disciple, tells jesus, "there is a child out there in the crowd who has five small loaves of bread and two fish, but that couldn't feed more than four people!" the disciples were probably thinking, "how in the world are we going to feed all these people?" jesus calmly asks the crowd to sit down. **jesus feeds the five thousand** - five small barley loaves and two small fish, but how far will they go among so many?" this was andrew's prayer to jesus. he knew jesus' heart and desire to feed the hungry people. when he brought the five loaves and two fish, it was his earnest prayer offering. **jesus feeds the 5000 - sunday-school-center** - • the disciples came to jesus and said "we have here only five loaves of bread and two fish." • jesus told them to bring them to him. jesus blessed the food and fed all of the people with it. • jesus directed all of the people sit down on the grass. • jesus took the 5 loaves and the 2 fish. **loaves and fishes - gracelink** - eat. they tell jesus they have only five loaves and two fishes from a little boy's lunch. jesus blesses the food, and there is enough to feed 5,000, with 12 baskets of food left over. this is a lesson about community. jesus was concerned about the needs of those who followed him and wanted his disciples to share his concern. the **lesson 3 the boy's lunch - trinity united methodist church** - count to five supplies:kids' book, lunch bags made earlier (page 30) prepare ★ punch out five loaves and two fish (kids' book) for each child. ★ stack all the loaves of bread in one pile. then stack all the fish in another pile. do ★ say: in our bible story today, a young boy brought his lunch with him to hear jesus talk about god. he had five small loaves of bread and two fish. **loaves and fishes - the new church** - five thousand men. this was a miracle, but i think it's a different type of miracle than what we are used to hearing about. i don't think the five loaves and two fish magically became enough to feed more than five thousand men. during that time in history, when people went out for the day, they brought some food with them.
